CITYWIDE CHRIS CHURCH

Beloved Ones!

We are taking this opportunity emphasizing on what the Bible says in the book of Hebrews 13:17. Scripture declares to obey our leaders and submit to them, for they are keeping watch over our well-being (souls), as those who will have to give an account. Let them do this with joy and not with groaning, for that would be of no advantage to you. I believe it is for our own best interest that we follow decisions of not gathering that will involve 50 and more people. Below is a few outlines to be observed to ensure our safety:

Message from the General Superintendent
Canadian Assemblies of God

"In this present environment of fear and uncertainty, it is easy to be overwhelmed by the avalanche of media, rumour and speculation that has descended upon us. For this generation, this is an unprecedented time of distress and anxiety. It is in these circumstances that people look to the church of our Lord Jesus Christ for words of hope, faith and reassurance. God is with us and he delivers us from fear. Do not be afraid"

Pastor David Di Staulo.
